Environmental Policy Statement

*Air Monitor Corporation (AMC) is **ISO 1400:2015 certified** and maintains an Environmental Management System (EMS that conforms to the requirements of ISO 14001). AMC is committed to conducting its operations in an environmentally responsible manner while delivering products that meet or exceed customer, regulatory, and contractual requirements.*

AMC is committed to:

- Compliance with all applicable environmental laws, regulations, and other obligations*
- Pollution prevention and the reduction of environmental impacts associated with its operations and products*
- Responsible use of resources, including materials, energy, and waste management*
- Continual improvement of environmental performance through objective setting, monitoring, corrective action, and management review*
- Integrating environmental considerations into quality planning, operations, and decision-making*

Environmental management is integrated into AMC's Quality Program and operational controls to ensure sustainable practices, consistent product quality, and continual improvement.
